

„Overwhelming Fun“

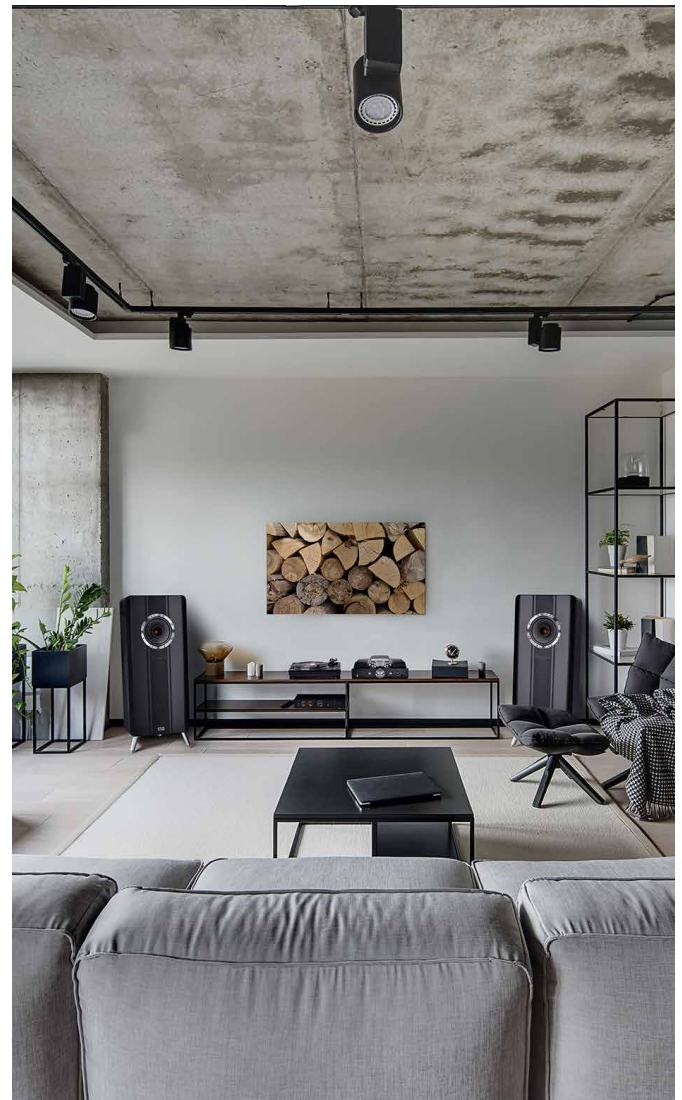

„(...) Unlike many other full range drivers, that often perform with little punch only, the Einklang undoubtedly scores with its really full, rather warm, yet precise sound character.“

Stereoplay thinks:

„A clear and recommendable alternative to the loudspeaker mainstream - particularly for those who love the rather weak, but in terms of sound very promising tube amplifiers.“

SUMMING UP

„A wonderfully homogeneous and coherent full range driver; great spatiality, good substance and authoritative power, excellent reproduction characteristics, the voices and strings with a vintage twist.“

* Price/Performance: very good
